

## FCA BOARD MEMBER SPOTLIGHT:

*Alan & Amy Walker*

NE AL FCA BOARD MEMBERS (CULLMAN COUNTY)

Alan and Amy Walker have been a part of NE AL FCA from the beginning. They have two grown boys (Lance and Trent) who were a part of the FCA at Cullman High School. Mr. and Mrs. Walker live in Cullman County and have businesses in the Marshall and Cullman County area. It has been a vision from the beginning to have an FCA Area Representative live and serve in the Cullman County area and we have now formed a Board in Cullman County to help plan and prepare for that day. Mr. and Mrs. Walker are a blessing to so many and are a special part of the NE AL FCA family. We thank God for the Walkers.

*Jonathan and Hannah Berryhill*

NE AL FCA BOARD MEMBERS (MADISON COUNTY)

**Jonathan Berryhill**

Jonathan and Hannah Berryhill have been on the FCA Board for over four years. The Lord blessed them with 5 beautiful kids and they recently found out their 6th child is on the way. The Berryhill's love Jesus, His Church and kids. They live in Athens and his business places him now in the Northwest AL area more than in Huntsville, so the Berryhill's will be transferring to serve on the Decatur FCA Board. We will miss them but we will see them often as they still have business in our area and still desire to help minister here too. We love and thank God for them—May God Bless the Berryhills!

*Jeremy Smalley*

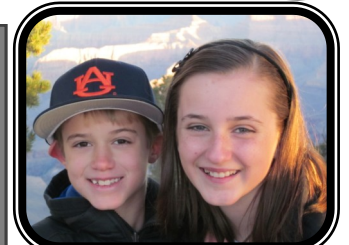

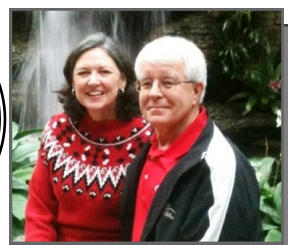

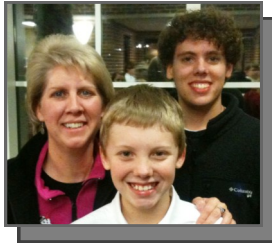

NE AL FCA BOARD MEMBERS (MARSHALL COUNTY)

**Jeremy Smalley**

Jeremy Smalley has been serving on the Marshall County Board from the beginning of NE AL FCA. He is the Student Minister at Arab First Baptist Church and has a passion for Christ and a compassion for Students. The first FCA Camp we took students on was to Norman, OK, and Jeremy was on that long and unforgettable trip. He has seen firsthand the impact Camps and the Campus Ministry can have on a campus. He also serves as a volunteer Chaplain for the Arab High School Football Team. We thank God for Jeremy and for the impact he has made on the FCA Ministry through all these years of service.
