

CAMPUS MINISTRY, MATT HERRING

Hello all! The Fall has been an exciting and busy semester. One that God has done **ABOVE** and **BEYOND** anything I could have ever asked or imagined! Just recently we had **Iron Bowl Prayer Breakfasts** in **Cullman, Marshall and Madison Counties**. Over **40** different schools showed up at 6 am and represented themselves at one of the three breakfasts! Praise God! I am so excited to see students and coaches across Northeast AL taking **INITIATIVE** on making an **ETERNAL** difference on their school campus.

On September 26th, students across America met at their schools flag pole for the annual **See You at the Pole**. FCA Huddles led and took part in the annual time of prayer for our schools and country. **Huntsville High FCA** Leaders organized their schools SYATP and had over **150** students attend! It was humbling to see that many students in prayer. Also, in October numerous schools in our area took part in the annual **Fields of Faith**. A time where students through testimony, prayer and scripture reading remind themselves of the importance of God's Word. **Bob Jones** hosted a Fields of Faith at the Madison City football stadium where hundreds of students from 6 different schools were represented. Praise God!

During this Fall semester we have also been able to pour into numerous teams across our area. One way we do that is through **Character Clinics**. I have been blessed to take part in leading a weekly character clinic with the Grissom Baseball team. Doing this has allowed me to build relationships with the players and pour into them. Please be in prayer for Blake Mann, a junior on the Grissom Baseball team, as he is currently not able to play due to a physical illness that doctors are unable to pinpoint at this time.

Another way we pour into teams is Friday night football "ministry of presence". Our staff spreads out and attends an area game on the sidelines showing our support. We want to show teams across our area that we are **WITH THEM** and **FOR THEM** through the ups and downs. A highlight for me was seeing **EVERY SINGLE** Huntsville High football coach, after a tough playoff loss, tell their players they love them and want to continue to see them grow as men.

COMING SOON: Students - Proverbs 27:17 Night (January 19th). Go to www.northalabamafca.org for details!

Serving Him,
Matt Herring

Students pictured above (also were FCA Interns: Caroline Fohrell (Left) and Sara Duncan - (Right)) were being pulled apart from fighting (not really) by Coach Herring. Caroline from Huntsville & Sara from Grissom (RIVAL SCHOOLS) planned a pre-game tailgate **TOGETHER**. GREAT IDEA!

DAR FCA LEADERSHIP TEAM
Coach Herring spends time educating the Leadership Teams so they can know how to lead their huddles. Praise God!

CULLMAN MIDDLE SCHOOL FCA HUDDLE - Garrett Cornelius, pictured above, spoke and proclaimed the Truth **BOLDLY** - Press On Garrett!
